## RECORD OF INSPECTIONS

INCLUDING INSTRUCTIONS FOR  
OFFICER-IN-CHARGE

CONEY ISLAND LIGHT STATION  
(Name of unit)

3<sup>RD</sup> CG District. From SEPT 1, 1963

to \_\_\_\_\_, 19\_\_\_\_

## INSTRUCTIONS

1. Record of inspections as provided herein shall be maintained at such units as required by the District Commander. A separate page shall be used for each inspection, but more than one page may be used when necessary.

2. At each inspection the district inspecting officer will note herein in sufficient detail the condition of any part of the unit not found satisfactory, including buildings and grounds, apparatus and equipment, records, personnel, etc., and will also set down proper instructions for the Officer-in-charge as to work to be done or action to be taken by him.

3. The Officer-in-charge will be held accountable for such work or action as may be directed by the district inspection officer and as noted in the records of inspections; and will state in the space provided therefor the action taken by him, with signature and date. No other statements or remarks shall be made by Officer-in-charge on this record. Inability to carry out instructions should be reported promptly by letter to the District Commander.

4. Before proceeding with the regular inspection the district inspecting officer should consult the records of the previous inspection, with especial reference to unsatisfactory conditions and instructions to Officer-in-charge relative thereto; and then make such preliminary inspection as may be necessary to ascertain whether the instructions given Officer-in-charge at previous inspection have been properly carried out. Failure to carry out instructions shall be noted in the inspection record book in detail.

Approved: March 3, 1952.
